PIGASUS

THE FLYING PIG

The truth behind the legend,
The story rarely told,
Of the flying porker, Pigasus,
A hog both brave and bold.

'Twas not the wings and feathers,
As people did suppose,
That gave the beast the gift of flight
As through the air he rose.

A secret kept for many years,
And now at last I tell,
Why the air around the flying pig
Contained a noxious smell.

For it was clear, for all to see,
If you observed his rump,
'Twas not some magic that helped him fly,
But the blast of a massive trump!

5: Amerikan cop showes

In Amerikan cop showes, peepul are orlways saying "Goddamitsucker", "Freezecreeps" and "Letsgeddahelladahere" ... which is why I think they shud hav subtitles, cos yoo can't understand wot they're on abowt.

It is gud wen they hav ecksiting gun-battels and a car-chase, but the trubble is that it's the same car-chase every week. They crash through the sayme pile of cardbored boxes and nock over the sayme froot-stall every episowde. The blowke hoo owns the froot-stall must be fed up bi now.

The detectivs in the showes are verrie clevar. They can solv crymes withowt finding anny cloos. Just bi lukking at a dedd boddie, they figger owt wot the killar lukks lyke, his hayme and address, and wot colour underpants hee's wearing. I'm gud at guessing, also (e.g. I can usuerlie figger owt wot's going to hapen neckst in these programmes), so maybe I will growe up to be a detectiv miself.

A cartoon illustration showing a man in a suit falling into a hole. Above the hole, the word "Slugs" is written in a large, stylized, red font. Below the hole, there is a warning sign that reads "H.M. GOVERNMENT HEALTH WARNING: THEY COULD DAMAGE YOUR HEALTH." The man is falling into the hole, and several slugs are visible at the bottom of the hole.
